Old Business:

Downtown trees: Schneider Landscaping took out the sick and oversized trees and Randy and Mike helped and donated their time.

Pearl Island: Nancy will start a new fundraiser project.

Christmas lights: Lon will check on 3 foot wreathes for the downtown light poles.

Signs: Ron was in a bicycle accident and received head injuries. When he is healed and feeling better, he will work on refreshing the signs. We discussed the banners around the welcome signs. Monroe has a black grid board to display banners for events.

M&Js and Paynes: The Jaycees took out the bushes and bark from the front of Paynes. Jerry Elmer did the cement work. It looks very nice. Good job! Lon talked with Jordy again and he said that he has spent a lot of money on fixing the inside. It was left at that.

Concerts: Nancy reports the concerts are going good. The Playboys had a crowd of around 400 people and the Dang Its went really well too.

Brochures: Karna is working on them. No change.

Flags: Bruce Sutherland took a new flag to First Merit Bank, but he was told that they had a flag on order to replace the worn out flag.

Hometown Program: It was thought that we should have a Special Meeting with the Chamber of Commerce, Economic Development and the BID Board at the regularly schedule BID Board meeting night, which is October 27, 2014. It was thought that we should continue to have Lon run the meeting.
