Mural: The mural has been delayed. It will not be finished for Autumnfest. The artist said it should be put up around October 18th.

Hometown Program: It was thought that a copy of the letter should be given to Jerry Elmer, Chamber of Commerce and Tim Stocks, Economic Development. Lon will get them a copy.

October 27th meeting: There is a conflict with having the meeting on the 27th of October. Since there is an extra week in October, we will move the meeting night to October 30th. Linda will send out a corrected notice. We will discuss the Hometown Program. Lon and Linda will get together and lay out the agenda for the meeting.
