

**MINUTES OF THE BROADHEAD HISTORICAL
PRESERVATION COMMISSION**

The BHPC convened for a special meeting November 13, 2015 @ 7pm at City Hall. Members in attendance: Chairperson Barb Krattiger, Gwen Peterson, Pat Braun and Secretary Sheryl Thorp.

Foster Gaming and Collectibles requested signage for their new business. They presented a color picture. Motion Pat/2nd Peterson to grant CofA noting that the top portion would not be white white and assuming that the lower portion is detached and is on inside of window.

Lon Lederman is asking for the CofA granted last year be extending to 11/13/2016 (one year) as he was not able to have work done in the allotted time. Motion Peterson/2nd Braun to grant extension.

Next meeting February 25, 2016. Motion to Adjourn Braun/2nd Peterson.

Respectfully submitted,

Sheryl Thorp
