

**Brodhead Public Works Committee**  
**Tuesday April 7, 2015**

Call to order at 3:45 pm – Present: Rich Vogel, Troy Nyman, Barb Krattiger,  
Dick Hale, Mary Mason  
Absent: Holly Everson

Motion to accept March minutes by Dick, second by Troy. Motion passed.

Concerned Citizens: none

2015 appointments – All members present are willing to remain on the committee.

Rich reported that he contacted three companies and look at different products for maintenance on the downtown area. In the past we used a slurry seal because it is the least messy. However it gives the least protection. It was recommended by the Engineer to look at a slag product. The slag gives a much stronger covering but does have small loose stone which is somewhat messy. The other plus to using the slag is that you don't have to keep traffic off of it. Once it is down, it can be opened up to traffic. The slurry needs several hours to dry. Low proposal for slurry seal was \$16,548.75. Proposal for slag seal was \$20,476.80  
Motion by Mary, second by Barb to recommend to council to use the slag seal. Motion passed.

Rich reported that the County E project has been delayed due to problems with Mr. Kerschners property.

Rich invited everyone to the Forestry meeting April 15<sup>th</sup> at 6:00 pm. We will look at what is happening with EAB in our area and what updates to our policy we may want to make.

Pearl Island Report – Nothing new

Budget – No action.

Concerns of committee members – Mary reported a street light out on 19<sup>th</sup> Street by bridge

Motion by Troy to adjourn, second by Brab. Motion passed at 4:30 pm.
