Absent Roseann.

Approval of minutes of last month's meeting by Rich, second by Richard. All Aye.

Training for Committee members. Once the newly elected officials are in place in April we will work on getting everyone up to date on NIMMS and other training.

Nursing home plan request has been given to Caring Hands. Still waiting for their response. They and the other Nursing Homes will be contacted on a joint meeting to go over their and our plans.

Committee membership. John has been in contact with the Clergy Assn. He will be invited to their next meeting to discuss one of their members returning to our group.

Mock accident training. Plans are in the making for a Mock Accident training at the High School. This will be just before Prom. Local Law Enforcement, EMT's, Fire will be playing roles. Med Flight is being invited too. The date is set for April 21 at the High School. More information to follow.

A two day training for Emergency Management Public Information Officer (PIO) will be sponsored by Green County Emergency Management will be held in Monticello on 22d, and 23rd of June. This will be the last of the 2 day training sessions. Next year it will be a 3 day event.

Yearly updates on contact personnel will be at our next meeting. Suggestions of additional contacts were discussed.

Talked about the House number program. Looking into if there is or should be an ordinance on their requirement.

Brian is looking into this.

Upgrades on going to Digital radios talked about. We won't go totally digital but have the equipment to at least talk with Rock County and city of Monroe with our Police Dept. Other ideas talked about as to antennas to make things better.

Some future agenda items: Nursing Home plans for Emergency Management, Mock Accident, and High Pressure Gas locations.

Motion to adjourn by Rich, second by Jeff at 11:15 AM
