

Emergency Management meeting called to order by Chair John Bernstein at 10:00 AM.

Present: Brian Raupp, Chris Hughes, Jeff Peterson, Dick Hale, John Bernstein, Tanna McKeon.

Absent: Rich V. Teresa W. Brodhead Fire, EMS.

There were no minutes from our past meeting to approve.

County Emergency Mgt. is planning on having needed classes for all local Elected Officials, as well as others who need them. These may also be done online.

We are still in need of E.M. plans for Caring Hands and Collinwood. Both homes appear to be either under new management and or under remodel. John will stop by to see if he can get information from Caring Hands.

Looking into finding a template for house numbers for homes and business locations.

The Count may be going to using the States ID Tag system. These could replace the ones we currently have. There would be little or no additional charge on these.

There may be some grants for Haz/Mat Survey Information has or will be sent from Tanna.

Table Top on the EAA/Airport/Emergency Mgt. set for June 25, 6 PM - 9:30PM at the Fire Dept.

Looking at getting a work group on mitigation plan.

Talked about the LP/Natural Gas Pipe Line class attended by Tanna and John in Darlington earlier this month.

Next month have updates on contacts for our Manual names, phone numbers and other contact info.

Agenda item for next month: Covered Bridge updates.

Next meeting: June 10th. 10:00 AM
