He stated the federal and state government require studies and documentation before proceeding with spending. He attended the senior/community center meeting and feels the committee neglected to present data to support them moving forward. He would like to make a formal request that council not put any money in the city budget until such studies have been completed. Fox asked if the questions were addressed in the survey done for the senior/community center. Mayor Pinnow stated there is nothing in the current budget for the senior/community center. Mayor Pinnow said that no figures have been determined so no action can be taken and once there are figures this will go to referendum.
