Swimming lessons, tots program and t-ball will begin next Monday, June 15th. All youth ball teams are up and running. Adult softball and adult sand volleyball is running smoothly.

Public Works:

Garbage/Recycling Proposals – Director Vogel stated that MSA reviewed the proposals. Brad Reents from MSA presented the information. Brad reported that in Sept 2014 the City of Brodhead chose Rock Disposal, due to a change in ownership by Rock Disposal requests for proposal were sent to three local waste management companies, Waste Management, Pellitteri, and Advance Disposal (formerly Rock Disposal). Discussion followed regarding all three proposals, the status of the Green County Landfill and how that will affect the waste and recycling. Representatives from Pellitteri and Advance Disposal each gave a short presentation and answered questions. Waste Management was not present to comment. Director Vogel stated that service has been an issue with our current waste carrier. He stated if Pellitteri is chosen we will have a decrease in our cost with their seven year contract. Representative from Pellitteri stated that they will accommodate the people that have smaller carts, all they need is a list of addresses. Director Vogel stated that the new contract will begin in August and service with the current company is required to continue until the end of July. Motion by Bernstein to accept the seven year contract with Pellitteri. Second by Rosheisen. Five ayes. Motion carried.

Request by a city business for maintenance due to city street repair. Public works recommended we turn this over to our insurance carrier. Motion by Bernstein to turn this over to city's insurance carrier. Seconded by Fox. Five ayes. Motion carried.

Water & Light Commission: Director Peterson reported that Mike Peters from WPPI advised them they will be looking to do a contract extension toward the end of the year. There will be a recommendation coming from W&L Commission and if council would like a presentation they could do it jointly. He stated that Clerk Withee had questioned the water sample requirements for points. He said the application previously required that a certified well installer needed to certify the application now it states that W&L is to certify the application. He asked Attorney Olson if there were language changes in the ordinances during the recodification process. Attorney Olson stated that everything went back to the department heads for clarification and approval. She will research what was done and look to see who signed off on the point ordinance. She will check to see if this is something the building inspector may have changed. Deputy Chief Raupp stated that ordinances are
