

## Brodhead Public Works Committee Meeting Tuesday March 6, 2018

Call to order at 3:45 pm – Present: Rich Vogel, Troy Nyman, Holly Everson, Barb Krattiger  
Also present: Casey Jones, Patty Brugger, Tim Stocks

Motion to accept February minutes by Holly, second by Troy. Motion passed.

Public Appearances: Patty Brugger presented an estimate from Franks Services to repave the alley that runs off of W 2<sup>nd</sup> Avenue. Casey Jones shared his plans for the parking lot next to that alley. The City will have the engineer contact Mr. Jones to see what and if we can work the projects together to lower the cost.

Committee again informed Patty that it is at the top of the list for storm water projects but we cannot guarantee we can afford the project this year.

Committee comments or questions: None

Rich informed the Committee that a water pipe broke in the Brodhead Baptist Church raising their sewer bill over \$500. Normal bill is \$30. Rich inspected the situation noting that they do not have a drain in the basement and most of the water ran out of the building. Motion by Barb, second by Troy to refund the overcharge for water not treated.

Rich informed the Committee that he has a buyer for some of our Ash logs. We can get \$300 a load for what we have stored now. Motion by Holly, second by Barb to sell the loads for \$300 a load.

Discussed resolution for sign standards. Rich informed the Committee that he agrees with the resolution. Motion by Holly, second by Troy to table until next meeting. Motion passed.

Discussed February flooding issues. Rich informed the Committee that several areas are being addressed to see if cleaning or repair work is needed to help prevent this in the future.

Discussed budget. No action.

Set next meeting for April 3.

Motion by Holly, second by Troy to adjourn. Motion passed at 4:50 P.M.
